Dear Friend,

Since the founding of the Friends of Wrentham, Inc., and through the support of such former Patriots as Tim Fox, Steve Nelson, Bill Lenkaitis and Steve Grogan, our charity organization helped nurture the lives of so many deserving individuals. The energy of our founding members resonates even today as we plan our next spring fund-raiser. Their efforts and the support of like-minded citizens have transformed ordinary and routine lives to something unique and spectacular, opening doors and opportunities that were once closed. In return, we have offered our supporters exciting and fun experiences in which they can demonstrate their commitment to our philanthropic cause. Through their steadfast support, they have enriched the lives of many deserving people.

This year, the Friends of Wrentham, Inc. is celebrating in our traditional style of uniqueness and creativity. Break out your best Hawaiian lei; our Dinner-Dance will have a Hawaiian theme that promotes fun and camaraderie, in a relaxing venue. Guests will be encouraged to wear Hawaiian shirts and casual attire as they dance at the spacious *Twin River Event Center, 100 Twin River Road, Lincoln, RI*, to the music of *The Fat City Band*. This fantastic venue will be another opportunity to share laughter and make memories while accomplishing our goal to improve the quality of life for the residents who live at Wrentham Developmental Center. In past years, we have raised enough funds to purchase specialized adaptive equipment that fosters independent living; various exercise machines that have improved strength and coordination; and sophisticated handicapped-accessible vans. Others have enjoyed unique and extraordinary vacations.

Your support, as always, is crucial, and we need your help. Perhaps you would consider supporting our auction or raffle, purchasing a sponsorship listing or attending this exciting event – ***Hawaiian Luau at Twin River, Lincoln, RI, complete with Dinner, Dancing and Auctions on Saturday, May 17, 2008.*** The Friends of Wrentham, Inc. want to assure that the residents continue to live life to the fullest. Our hope and prayer is that our mission and our collective dedication to this noble cause continues.

Please consider being part of this successful and rewarding experience. Your support is deeply appreciated! For more information, contact Tony Marano, Director of Volunteer Services, or me at 508-384-1635. We look forward to hearing from you.

Sincerely,

Steve King, President
